Dear Loyd:

Your good letter of August 10 reached me just as I was about to take off on my long trek to visit my people abroad. I shall be back in Washington early in October and look forward to seeing you then.

However, I did not want to get away without thanking you sincerely for what you had to say in your letter about your contact with our people. This is a real shot in the arm and one of the most encouraging reports I have ever received. In fact, I am taking your letter with me as I know what a morale booster it will be as I meet the various people whom you have so generously commended. Again, thanks.

Sincerely,

COMMISSION ON GOVERNMENT SECURITY

Dear Allen:

Thanks for your good letter of July 18 which I found on my desk upon my return. I am leaving tomorrow for Los Angeles and then to San Francisco to attend the Republican Convention. It so happens that I am one of the delegates from California. When I return I will avail myself of the opportunity of talking to Mr. Houston as you suggest.

I have not had an opportunity 'ere this to write and tell you how much I appreciated the privilege and opportunity you extended me in having so courteously interview me. I would like to repeat to you what I told Governor Sherman Adams; that is that never have I seen a more efficient organization in or about a government. I found them courteous, thoroughly familiar with their assignments, well-liked in their respective communities, and willing to assist. What more could you ask of any organization?
